- 8) North American Industry Classification System (NAICS)/Standard Industrial Classification (SIC) Code and description for the facility: _____

SOURCES WITH ACTUAL EMISSIONS LESS THAN 50% OF MAJOR SOURCE THRESHOLDS

- 9) Does the facility contain emission sources that, for reasons other than its potential-to-emit, require the facility to obtain a Class I operating permit or is the facility a Title IV (acid rain) source?

Yes _____

If yes, the facility does not qualify for a permit-by-rule under K.A.R. 28-19-564. Submit a Class I operating permit application under the provisions of K.A.R. 28-19-500; operating permit applicability or a Class II operating permit application under the provisions of K.A.R. 28-19-540; Class II operating permits applicability, as appropriate.

No _____

- 10) Does the owner or operator affirm that actual emissions from the facility operating for every consecutive 12-month during which the facility is operated do not exceed 50 percent of the major source threshold under K.A.R. 28-19-564?

Yes _____

No _____

If no, the facility does not qualify for a permit-by-rule under K.A.R. 28-19-564. Submit a Class I operating permit application under the provisions of K.A.R. 28-19-500; operating permit applicability or a Class II operating permit application under the provisions of K.A.R. 28-19-540; Class II operating permits applicability, as appropriate.

- 11) Does the owner or operator agree to keep records required by K.A.R. 28-19-564(h) and to maintain the records on-site for at least two years?

Yes _____

No _____

If no, the facility does not qualify for a permit-by-rule under K.A.R. 28-19-564. Submit a Class I operating permit application under the provisions of K.A.R. 28-19-500; operating permit applicability or a Class II operating permit application under the provisions of K.A.R. 28-19-540; Class II operating permits applicability, as appropriate.

- 12) Does the owner or operator agree to annually submit to the department by February 15 of each year, a compliance demonstration/summary of the required monthly records that demonstrate compliance with the 50 percent actual emissions limitation?

Yes _____

No _____

If no, the facility does not qualify for a permit-by-rule under K.A.R. 28-19-564.
